“Sapnap Start Screen” • 2D Animator

Twitch

- Commissioned by popular content creator ‘Sapnap’ to animate for their Twitch starting soon screen.
- One minute long hand drawn 2D animation all on Procreate.

CHARACTERISTICS

I am always eager to learn new things. When given a task, I like to ask a lot of questions to make I’m doing it correctly. I am fluent in both English and Spanish, which often helped with customer service. I can be highly organized, and I can work well independently or with teams.
